INT - JAY'S APARTMENT - DAY

JAY gets some drinks of alcohol. TEE TEE then gleefully jumps in the couch and gets comfortable. DIAMOND browses the space. TEE TEE sees a Bob Marley poster and some other Jamaican paraphernalia.

TEE TEE
Your place is real Irie, mon!

Jay smiles. He then joins her in the living room, gives her the drink and then sits across from her.

JAY
You funny, you know that? My
brother loves culture Reggae,
so...all this shit is his. I let
him do whatever he want with the
living room. It don't matter to me.

By now, DIAMOND is browsing directly behind JAY, but directly within sight of TEE TEE.

TEE TEE
This ain't an impressive 1st date,
by the way. But it'll do for now.
I'll give you a second chance.

He chuckles.

JAY
Cheers.

They cling glasses. DIAMOND is occupied with her interest in an old Vinyl player.

JAY takes a sip. TEE TEE sniffs the drink.

TEE TEE
Hmmm...you invite me over to your
house on the 1st day, and
coincidentally your brother ain't
home, and you give me alcohol.
(beat) I'd say you planned all this
with one intention.

He blushes.

TEE TEE
Well, do you?

Beat.

(CONTINUED)

JAY
Do I what?

TEE TEE
Want to fuck me?

JAY and DIAMOND both have the same shocked reaction.

JAY
What? (laughs)

TEE TEE
Do...you...want to...fuck me?

DIAMOND is frozen in shock as JAY blushes but slowly mans up.

JAY
Well, it's whatever. I mean, if we do that then that's cool with me.

TEE TEE
I want you to say it.

Beat. JAY struggles to say the words but can't. He cracks a faint smile.

TEE TEE smiles and chucks down the whole glass of alcohol. DIAMOND then makes her way to the door.
